Notes

Pinz offer a wide variety of high quality fabrics, all of which fall into one of 7 fabric groups. Each of our blind products has 7 different price lists - one for each fabric group.

Please note not all fabrics are recommended for every product - contact Pinz for further information if you are unsure.

Identify the fabric you need in this list and then find the correct price group of the product type you require in order to calculate a price.

Fabrics listed in black are generally held in stock and those in red are available as cut lengths. If the fabric you wish to order is not listed please contact Pinz and if we are able to source it we will let you know what group to price from.

If you are ordering a large quantity of blinds in non stock fabric i.e. approx 6 or more please contact us as we may be able to negotiate a cheaper price group.

Further information on each fabric can be found in the fabric information table towards the back of this manual.

Terms and Conditions

Prices exclude GST - Prices are wholesale (i.e. Discount does not apply)

Prices are ex factory

Prices include up to 4 corners per sail

Prices include 50mm Nylon webbing perimeters with no D shackles or D rings supplied

Add \$20 for each additional corner

Area is calculated between corners of the membrane in straight lines

(i.e. no reduction in area for chord depth)

This price list only covers traditional or simple shade designs,

please consult us before quoting difficult designs

Kedar moulded rope track, add \$4 per metre.

Tear Drops - add \$35 for each tear drop

Warranty claims will be fixed or replaced at Pinz's discretion free of charge - but limit of liability only

extends to the membrane itself. The sail needs to be returned to our factory.

Alterations and repair work will be charged at our standard hourly rate (currently \$40 per hour)

Remakes because of your errors will be discounted at list price less 15%.

Notes on motorisation

Motor pricing includes motor bracket and crown/drive wheel set

Pricing also includes Pinz value added service to prepare blinds for motorisation i.e. weighting of bottom bar, modification of hood ends, supply of brackets and fitting of motor.

It is recommended that all motorised blinds and awnings are installed either in a protective hood box or away from the elements.

Pinz does not recommend the motorisation of PVC blinds - this price list is for fabrics in Pinz price groups C-G only. If you choose to sell a motorisation option for PVC blinds it will not be covered under warranty.

Motor size recommendations are to be used as a guide only - please contact Pinz to discuss suitability if unsure.

Please contact Pinz for any further information if required.

Supplying your own motors

If you wish to supply your own motors we can prepare the to prepare blinds for motorisation i.e. weighting of bottom bar, modification of hood ends or supply of brackets and fitting of the motors for you - the following charges will apply.

Preparation for motorisation - charge is per blind ex GST - No discount applies to these prices	
Blind in hood box - \$50	Price includes weighting of bottom bar, modification of hood ends, supply of pivot pin & plate
Blind with brackets only - \$30	Price includes weighting of bottom bar, supply of gearbox brackets, pivot pin & plate

Notes

Price assumes customer will supply motor, motor brackets and crown/drive wheel set

Above preparation charges apply regardless of whether Pinz is fitting the motor or you are fitting it yourself

1. Background

1.1 These Terms and Conditions apply to each contract for the supply of goods (**Goods**) by or on behalf of Pinz Pty Ltd ACN 064 005 287 of 3b Philips Crescent, Hendon, South Australia 5014 (**Pinz**) to any customer (**Customer**).

2. Interpretation

2.1 In this agreement, except where the context otherwise requires:
(a) the meaning of general words is not limited by specific examples introduced by 'including', 'for example' or similar expressions;
(b) a rule of construction does not apply to the disadvantage of a party because that party was responsible for the preparation of this agreement or any part of it;
(c) a reference to '\$' is to Australian currency; and
(d) the singular includes the plural and vice versa.

3. Terms and Conditions

3.1 A contract for the supply and purchase of Goods (**Contract**) will be formed, on these terms and conditions, immediately when Pinz accepts an order from a Customer to purchase Goods (**Order**).

3.2 Pinz will be taken to accept an Order, on these terms and conditions, only when Pinz confirms the Order by:

(a) commencing any action required to supply the Goods; or
(b) providing written or verbal notification to the Customer that Pinz has accepted that Order.

3.3 If a Customer makes an offer by way of an Order or otherwise, and that offer is made on terms other than these Terms and Conditions, unless Pinz expressly says otherwise, acceptance of that offer is only on these Terms and Conditions and not otherwise.

3.4 These Terms and Conditions together with the relevant requests provided by a Customer within an Order as to the size, quantity, fabric, colour, type, style, brackets, mountings and special requirements of Goods (in each case as may be altered by Pinz pursuant to clause 9.3) (**Specifications**) constitute the entire agreement between Pinz and the Customer.

3.5 A Customer may only cancel a Contract:

(a) with the prior written consent of Pinz; and
(b) following payment of all costs, expenses and losses (including loss of profit) incurred by Pinz as a result of that cancellation, and a cancellation fee of \$40 or as otherwise set by Pinz from time to time.

3.6 No Order or Contract includes any term, condition, warranty, representation or undertaking as to a date for Completion (as defined below) or other delivery date. Any indication by Pinz of an expected date for Completion or delivery does not create any binding term or representation and may not be relied upon by a Customer.

4. Risk and Ownership of Goods

4.1 The Customer assumes the risk of loss or damage to Goods from the time at which completion of manufacturing the Goods occurs (**Completion**), which will occur on the earliest of the following events:

(a) if the Goods are to be collected by or on behalf of the Customer, Pinz notifying the Customer that the Goods are available for collection; or
(b) if Pinz has agreed to arrange for collection of the Goods on behalf of the Customer, completion of the loading of those Goods onto a transportation vehicle from the premises of Pinz in relation to delivery of those Goods to that Customer.

4.2 Title to the Goods passes only on payment in full for the Goods.

4.3 For each Order, if a claim in respect of a shortage of Goods has not been lodged with Pinz within 7 days of Completion, Pinz will be taken to have delivered all of the Goods the subject of the Order.

5. Goods to be Collected by a Customer

5.1 Unless a Customer notifies Pinz in an Order that the Customer will collect the Goods once manufacture of those Goods is complete, and Pinz accepts that Order, Pinz will upon formation of a Contract be taken to have been appointed as the Customer's agent to arrange for delivery and insurance of the Goods at the Customer's cost and risk.

5.2 A Customer may specify in an Order that it will collect the Goods from the premises of Pinz once manufacture of those Goods is complete but if it has not collected those Goods within three weeks of the Completion date, Pinz may:

(a) continue to store the Goods on the Customer's behalf (whether on-site or at another location); or
(b) arrange for the delivery of the Goods to an address provided by the Customer,

and in each case all costs incurred by Pinz relating to the safe-keeping, transportation, freight, storage, handling, insurance, government, statutory or regulatory charges that relate to the supply of the Goods (if any) (**Delivery Costs**) will be payable by the Customer together with a storage fee payable to Pinz (in an amount set by Pinz from time to time) in respect of each day from Completion that the Goods remain in the possession of Pinz (**Storage Fee**).

5.3 If no person is available to accept delivery of the Goods as arranged by Pinz, Pinz may elect to:

(a) leave the Goods (or authorise the transporter of such Goods to leave them) at the address for delivery, in which case risk of those Goods continues to lie with the Customer; or
(b) have the Goods returned to Pinz (at the Customer's cost) for safe keeping, in which case the Customer will be liable for all costs of delivery and return in relation to the unsuccessful delivery as well as for Delivery Costs and the Storage Fee. The risk of Goods subject to this clause continues to lie with the Customer.

6. Price and Payment

6.1 Unless otherwise expressly stated, all prices are exclusive of GST. If GST is, or becomes, payable in respect of any supply made by Pinz to the Customer, the payment for that supply will be increased by an amount equal to the GST payable.

6.2 Subject to clause 6.1, the purchase price payable by the Customer to Pinz in respect of the supply of the Goods (**Purchase Price**) are those set out in Pinz's most recent price list (irrespective of whether a Customer has a copy of that price list or not), and may be increased by Pinz for any Delivery Costs or Storage Fee.

6.3 Pinz may issue an invoice to a Customer in respect of Goods (**Invoice**) at anytime after Completion.

6.4 An Invoice must be paid by a Customer on the Due Date. The Due Date is the later of:

(a) the date on which the Customer receives the Invoice; or
(b) if the Customer and Pinz have agreed to the Customer having a credit account, any later date to which Pinz has agreed.

6.5 If the Customer fails to pay any Invoice in full on or before the Due Date, the Customer must pay to Pinz any costs, expenses or losses which Pinz incurs as a result of that failure (including, without limitation, costs associated with the collection of any unpaid amounts) and Pinz may (without prejudice to any other rights or remedies that it may have) charge interest at a rate not exceeding the Commonwealth Bank of Australia's overdraft rate plus 2% on the amount of the overdue Invoice.

6.6 If delivery of Goods requires extra packaging than ordinarily supplied, the Customer will be liable for a packaging fee as determined by Pinz from time to time.

6.7 If a Customer's invoice remains unpaid for more than 7 days, Pinz may stop work on all current orders, suspend deliveries to the Customer or terminate any Contract in relation to undelivered Goods until the unpaid amount has been paid in full.

7. Insolvency

7.1 If the Customer becomes, or resolves to become, or takes any steps or has any steps taken in relation to it becoming, insolvent, bankrupt or have a receiver, administrator, liquidator, trustee or similar official appointed, then:

(a) the Customer must notify Pinz immediately;
(b) all amounts in relation to an unpaid Invoice and work in progress owed by the Customer to Pinz immediately become due and payable; and

(c) the Customer's right to possession of any Goods supplied by Pinz which have not been paid for in full by the Customer ceases, and Pinz will be entitled to recover possession of those Goods.

8. Warranties

8.1 Except for any implied condition or warranty the exclusion of which would contravene any statute or cause any part of this clause to be void (**Non-Excludable Warranties**), Pinz excludes all other conditions and warranties implied by custom, the general law or statute.

8.2 Subject to clauses 8.6, 8.7, 9.2 and 9.7, or unless otherwise specified by Pinz, Pinz warrants that the Goods will remain fit for purpose for two years from their Completion.

8.3 If the Goods are, or any component part of the Goods is, supplied to Pinz by a third party, any warranty offered by Pinz in relation to the Goods or component part of the Goods will be limited to Pinz's right of redress (if any) against that third party.

8.4 If a Customer has insisted that Goods be manufactured with certain Specifications, after Pinz has notified the Customer that those Specifications are not recommended by Pinz, Pinz accepts no liability as to the structure or performance of those Goods or for any structure, infrastructure or other attachment to which the Goods are connected.

8.5 The Customer:

- (a) warrants that all information supplied to Pinz in connection with the supply of Goods is true and accurate and acknowledges that Pinz has relied on that information in supplying the Goods;
- (b) acknowledges that Pinz has not made any representation or warranty concerning the performance of the Goods or the suitability of the Goods for the site at which the Goods are to be installed;
- (c) acknowledges that:

- (i) all descriptive specifications, illustrations, drawings, data dimensions and weights provided by Pinz to the Customer or otherwise contained in fact sheets, price lists and other advertising matter of Pinz are approximate only and have not been relied upon by that Customer; and

- (ii) Pinz's staff are not qualified to give advice in relation to the installation of Goods; and

- (d) must correctly label Goods the subject of a warranty claim with the Customer's name and address and provide to Pinz sufficient information in writing for Pinz to easily ascertain all particulars of the Customer's request and whether that request relates to a warranty claim or is a modification to the Goods at the Customer's expense.

8.6 The Customer must install Goods in accordance with the specific requirements detailed in the documentation provided with the Goods and have the Goods installed by a person qualified to do that work (if applicable). Pinz will not be liable for any costs in relation to Goods that have been improperly installed.

8.7 The provisions of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded from all Contracts.

9. Limitation and Exclusions of Liability

9.1 The liability of Pinz under any of the Non-Excludable Warranties is limited to:

- (a) replacing the Goods;
- (b) repairing the Goods; or
- (c) paying for the cost of replacing or repairing the Goods, as Pinz decides in its discretion.

9.2 Any warranty provided to a Customer by Pinz in respect of Goods does not apply, and Pinz has no liability to a Customer in respect of those Goods, if unauthorised repairs or alterations, not specifically authorised by Pinz, are made to the Goods, the Customer fails to comply with all instructions of Pinz (whether written or verbal) in relation to the fitting, installation and use of the Goods or the Goods are:

- (a) subjected to extreme environmental conditions or rapid changes in such conditions;
- (b) damaged by accident, force of nature or any other acts beyond

the reasonable control of Pinz;

- (c) maintained in a manner contrary to care and cleaning recommendations made by Pinz;

- (d) otherwise improperly installed, abused or misused;

- (e) referred to in any fact sheet, price list or other advertising matter of Pinz as being excluded from any warranty; or

- (f) installed without first obtaining advice from a qualified builder or installed against such advice.

9.3 Pinz may use different componentry in the manufacture and supply of Goods to those set out in the Specifications or Pinz's most current price list if, in the opinion of Pinz:

- (a) the replacement componentry is of better or equivalent quality; or

- (b) those components set out in the Specifications or Pinz's most current price list are not available for supply to Pinz within a reasonable time.

9.4 Pinz will not be liable for any personal injury, incidental damages, consequential losses, loss of profit, costs of business interruption, loss of opportunities or any other claims whatsoever arising from:

- (a) any use of, or incidental to, the Goods or arising out of Pinz's negligence or breach of the Contract and, for the avoidance of doubt, Pinz will not be liable for the cost of transporting Goods to and from the premises of Pinz in relation to a warranty claim (regardless of whether that claim is successful or not); or

- (b) a Customer's or end-user's reliance on advice given by Pinz in relation to the installation of Goods.

9.5 The Customer acknowledges that it is liable for all costs incurred as incidental damages, consequential losses, loss of profit, costs of business interruption, loss of opportunities or any other claims whatsoever arising from the transportation of Goods to Pinz in relation to a warranty claim (regardless of whether that claim is successful or not).

9.6 Pinz is not required to clarify any hand written Order and Pinz owes no liability to a Customer in respect of Pinz's incorrect interpretation of a hand-written Order.

9.7 Whether or not Pinz seeks clarification of Orders, Pinz will not be liable for Goods manufactured or supplied otherwise than in accordance with the Specifications of the relevant Order if that Order provided by the Customer to Pinz was in written form (including, without limitation, by means of fax, email, typed or hand written), notwithstanding that the Specifications may not be appropriate for the purpose or use of the Goods intended by the Customer.

9.8 If Pinz agreed to re-take possession of goods returned to it in relation to a warranty claim, Pinz will not be taken to have admitted liability for that claim until it has inspected the Goods and given notice of acceptance of that claim to the Customer.

10. Miscellaneous

10.1 Pinz owns (and a Contract does not transfer ownership of) all intellectual property rights (including, without limitation, trade marks, registered designs, patents and know how) in or in connection with or relating to:

- (a) the Goods; and

- (b) any device or program supplied to the Customer for the purpose of ordering Goods.

10.2 Pinz may, at any time after acceptance of an Offer and before Completion of the Goods, by notice to the Customer provided verbally or in writing, terminate a Contract (in which case neither party will have any obligations under the Contract).

10.3 Pinz may exchange information about its credit arrangements and its Customers' credit worthiness, credit standing, credit history and/or credit capacity with other credit providers.

10.4 The Contracts are governed by the laws of South Australia and the parties agree to submit to the non-exclusive jurisdiction of the courts of South Australia.

10.5 If any term or part of a term of these Terms and Conditions is illegal or unenforceable it may be severed and the remaining terms or parts will continue in force.
